

building:careers

Ohorongo Cement is passionately dedicated to offering Namibia locally-produced, world-class cement. We are a member of the Germany-based SCHWENK family, whose international legacy of quality spans over 160 years. We decided on a substantial investment through building an environmental-friendly plant in the Otavi/Tsumeb region. We will cement our position as one of Namibia's chief economic players by boosting economic growth, reducing unemployment, transferring skills, attracting foreign-based Namibians and delivering products of uncompromising quality.

Plant Manager

Reporting to the Managing Director, the Plant Manager will be directly responsible for the strategic management of the cement plant at Otavi. It will involve, amongst others, the coordination of quality standards and strict adherence to the production plan. This is a senior management position. This position is Otavi-based.

responsibilities

- professional, timely execution of all production targets
- strategic workforce planning and development
- adherence to quality standards, health and safety regulations
- effective, efficient plant and operation management
- plant presentation at various forums and levels
- continuous improvement

requirements

- registration as a Professional Engineer with the Namibian Engineering Council in mining or process engineering
- ten (10) years relevant experience in the cement industry of which at least four (4) years in a managerial capacity
- experience in dealing with sub-contractors
- excellent project management skills
- leadership, strategic, management and talent management skills
- ability to manage multi-disciplinary projects and teams
- high level of computer literacy
- ability to point out difficult and complex technical processes and facts
- strategic planning skills; high stress tolerance; excellent inter-personal relationship and inter-cultural intelligence skills
- financial and contract management skills

remuneration

In return we offer competitive income potential, depending on skills and attributes.
